NATIONAL MISSIONARY STAFF SUPPORT

We need to increase the monthly offering we give our 33 Mexican staff and families. The hard work and sacrifice demonstrated by our staff is second-to-none, working and on-call 24 hours per day, six days a week. Scripture notes that a worker is worthy of their wages, yet LHI has struggled to afford proper compensation in light of the capital projects supporting the children and other necessary ministry tools. These staff members typically do not come to serve with the financial covering of a sending church, friends, or family but in faith that God will provide for the needs in their lives. We wish to bless them in return.

UNDESIGNATED OPERATIONAL FUNDS

Incoming, undesignated funds are currently below the level needed to maintain a number of aspects of the campus. LHI has always operated at zero debt and through God's goodness, an incredible number of infrastructure and capital projects have been completed in recent years, opening doors to a powerful impact on the mission field. These funds are needed for a range of needs such as weather-treating windows and doors, utility maintenance, water management, and more.

YOUR GIFT OF ANY AMOUNT WILL HELP US REACH OUR GOAL

CAN WE COUNT ON YOU TO HELP?
