BOOKS FOR OUR NEW LIBRARY

The school building is funded, now it just needs supplies, and that includes books! Each team has the opportunity to help fill the school library before the 2017-18 school year.

Will you help fill the school library by bringing books from the list provided, in your suitcases?

We're seeking a wide range of books. Whether donating a favorite copy of fiction or non-, Christian or literary classics, we are hoping to offer our children a wide range of reading options in the brand-new library.
